

CCC: Workshops 2025

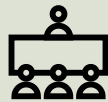

The CCC Team is looking forward to engaging with you via our scheduled workshops during 2025!

Please note:

- We are more than happy to schedule a tailored session with you to address your specific carbon footprinting or emission reduction needs. Please [get in touch](#) with us for a cost estimate.
- All workshops take place at SAST (South Africa Standard Time). To find the corresponding time in your local time zone, you can use this [time zone converter tool](#).
- Bookings close at 10am the day before the workshop.
- For the paid workshops: “No-shows” or cancellations made within 24 hours of the workshop start time will incur a full payment obligation. Thank you for your understanding, and we look forward to having you join us!

LIGHT CARBON FOOTPRINT WORKSHOPS

These workshops are presented at no cost at all for new users of the CCC tool or anyone in need of a refresher. We encourage you to attend these to learn more about calculating your farm, packhouse, cold store, CA store, winery and distribution carbon footprint. This is a training-focused workshop.

Online
(Microsoft
Teams).

No fee!

FULL CARBON FOOTPRINT WORKSHOPS

These workshops are more in-depth training which includes a carbon footprint assignment. To receive a competency certificate after the Full carbon footprint workshop you will need to complete a competency exercise that will be explained to you during the workshop. Fees are detailed below. This is a training-focused workshop.
